

Shapeshifter

Cxloe

React
Moment to moment
I'm changing like that
If you don't you should know it
I love to
Bite back
It's hard to stay open
When there's a target on your back

Feels like losing your mind
Kinda girl
You can't corner
Flows like water
I'm out of your grip
When my body moves like this

I'mma I'mma, I'm a shapeshifter
If you blink then you might miss her
I'm a shapeshifter
Moving like a game of twister
You wanna touch
But you'll never put your finger on a
Shapeshifter, sh-sh-shapeshifter

Like I'm such a lady
I'm such a freak
Do a 180
I do what I please
Make you think you'd never met me
Like uh who's this sitting in the back seat?
You could never understand me, uh uh
Like what do you mean

Feels like losing your mind
Kinda girl
You can't corner
Flows like water
I'm out of your grip
When my body moves like this

I'mma I'mma, I'm a shapeshifter
If you blink then you might miss her
I'm a shapeshifter
Moving like a game of twister
You wanna touch
But you'll never put your finger on a
Shapeshifter, sh-sh-shapeshifter

Sh-sh-shapeshifter
Sh-sh-shapeshifter
Sh-sh-shapeshifter
Sh-sh-shapeshifter

I'm a shapeshifter
If you blink then you might miss her
I'm a shapeshifter
Moving like a game of twister

You wanna touch
But you'll never put your finger on a
Shapeshifter, sh-sh-shapeshifter
