

# Swing

Cxloe

Making myself laugh just to get through it  
But breaking glass has a nice ring to it  
Hot and cold, I'm up and down, how could you, could you  
Why would you, would you  
Would you wanna stay in my arms?

You look at me this way  
Like you can't let me go, go, go  
If you wanted something safe  
Don't say you didn't know, know, know

So watch me swing  
Can you catch what I'm throwing at ya?  
Swing  
And I know that you don't know what it means  
You can try, but let me tell you, hold on, hold on, hold on, hold on

While I swing  
Watch yourself 'cause it's probably gonna sting  
And you know that I don't know what it means  
You can try, but let me tell you, hold on, hold on, hold on, hold on  
While I

I throw my hands up hoping just to stay with you  
But I can't change the way I am, know it's an issue  
Hot and cold, I'm up and down, how could you, could you  
Would you, would you  
Would you wanna stay in my arms?

You look at me this way  
Like you can't let me go, go, go  
If you wanted something safe  
Don't say you didn't know, know, know

So watch me swing  
Can you catch what I'm throwing at ya?  
Swing  
And I know that you don't know what it means  
You can try, but let me tell you, hold on, hold on, hold on, hold on  
While I swing

Watch yourself 'cause it's probably gonna sting  
And you know that I don't know what it means  
You can try, but let me tell you, hold on, hold on, hold on, hold on  
While I

Oh yeah  
Oh  
Yeah, watch me swing  
Hold on, hold on, hold on, hold on

While I swing  
Can you catch what I'm throwing at ya?  
Swing  
And I know that you don't know what it means  
You can try, but let me tell you, hold on, hold on, hold on, hold on  
While I swing

Watch yourself 'cause it's probably gonna sting  
And you know that I don't know what it means  
You can try, but let me tell you, hold on, hold on, hold on, hold on  
While I swing  
Yeah  
While I swing  
Yeah
