

# Wrong About You

Cxloe

Give yourself a minute  
Put together your sentences  
I'm getting tired cause I'm starting to sense  
Some tension  
Something's missing  
Caught you in the middle baby what you think I'm dumb  
Don't know the taste on the tip of your tongue  
It's different  
Something different

Say it slowly

I wanna be so wrong, wrong about you  
Look at me in the eyes and say you wanna make it right  
I wanna be so wrong, wrong about you  
Would you tell me if I'm wasting my time  
Wanna be, wanna be, wrong  
Wanna be, wanna be, wrong

It don't feel the same  
When your saying my name  
I'm tryna put the blame  
I don't know where to aim  
I worry  
But It's so blurry  
Are you two faced?  
Am I going insane?  
I tried to make space  
So if you wanna change  
I'd hurry  
You should hurry

Say it slowly

I wanna be so wrong, wrong about you  
Look at me in the eyes and say you wanna make it right  
I wanna be so wrong, wrong about you  
Would you tell me if I'm wasting my time  
Wanna be, wanna be, wrong

Cause I keep holding onto the idea of you  
But if I'm holding on who are you holding onto  
Cause I keep holding onto the idea of you  
But if I'm holding on

Wrong, wrong about you  
Look at me in the eyes and say you wanna make it right  
I wanna be so wrong, wrong about you  
Would you tell me if I'm wasting my time
