

## Inside A Lullaby

Cyhra

You fold your arms around me  
The world embrace and lift our fear  
Won't be missed till it disappears  
Can't sieve this growing hunger  
I hear you whisper in my ear  
I'll be here

So this is why I cry when I'm asleep  
I am fragile I feel weak  
Without you I feel hollow  
I'm alive  
I dream with open eyes  
When darkness turns to white  
The moment when your life's inside a lullaby

I know I hurt your feelings  
I'm hanging on for one more day  
And I know what you've done for me  
We are alike though different  
We are together yet apart  
In our hearts

So this is why I cry when I'm asleep  
I am fragile I feel weak  
Without you I feel hollow  
I'm alive  
I dream with open eyes  
When darkness turns to white  
The moment when your life's inside a lullaby
