

Lost In Time

Cyhra

The battlefield is quiet tonight
I'm thinking about a storm that's yet to come
Your destiny has failed me one too many times but then

I open up my eyes
And I'm falling
Hear the distant cries

I'm lost in time
My head is on the floor
It's been so long forgotten
What I'm fighting for
I'm alive
I'm searching for the signs
Without hope the only thing I find
I'm lost in time

I'm meant to bring the love to light
A voice within me cries for help
My destiny has saved you one too many times again

The only thing that's certain
Is we're falling
But if I see the light

I'm lost in time
My head is on the floor
It's been so long forgotten
What I'm fighting for
I'm alive
I'm searching for the signs
Without hope the only thing I find
I'm lost in time

I set my dreams aside
A love like ours is hard to find
Beyond the stars our souls unite

I'm lost in time
My head is on the floor
It's been so long forgotten
What I'm fighting for
I'm alive
I'm searching for the signs
Without hope the only thing I find

I'm lost in time
My head is on the floor
It's been so long forgotten
What I'm fighting for
I'm alive
I'm searching for the signs
Without hope the only thing I find
I'm lost in time
