

Out Of My Life

Cyhra

You had me close as I held fear
Still you're the reason why I'm lonely
I put my future in your hands
And we all know how you destroyed me
As my emotions slowly fade
You took your time on my defenses
You bought me tickets down to hell
That's why you're dead, dead to me

Out of my way
Out of my life
(Break me)
Out of my way
Out of my life
(Shake me)
Am I the seventh son?
I'm over, I am done
Out of my way
Out of my life
(Break me)
Out of my way
Out of my life
(Shake me)
Am I the seventh son?
I'm over, I am done

I took advice from your design
I don't believe a word you told me
There is no shame for me to flee
These are my words, you won't destroy me

Out of my way
Out of my life
(Break me)
Out of my way
Out of my life
(Shake me)
Am I the seventh son?
I'm over, I am done
Out of my way
Out of my life
(Break me)
Out of my way
Out of my life
(Shake me)
Am I the seventh son?
I'm over, I am done

Out of my way
Out of my life
(Break me)
Out of my way
Out of my life
(Shake me)
Am I the seventh son?
I'm over, I am done
Out of my way

Out of my life
(Break me)
Out of my way
Out of my life
(Shake me)
Am I the seventh son?
I'm over, I am done
