

# Broken Promises

Cymphonique

You been acting kinda strange lately, mmh-mmh  
Mmh-mmh, mmh-mmh

Don't tell me that you love me if you ain't gon' ride for me  
How I'm supposed to trust you if you always lie to me  
I thought I was your baby but you betrayed me  
And things ain't been the same between us lately

Don't tell me that you love me if you ain't gon' ride for me  
How I'm supposed to trust you if you always lie to me  
I thought I was your baby but you betrayed me  
And things ain't been the same between us lately

You say that you love me  
But you can never show me  
You see that you'll be there  
But you ain't never here  
You play round with my heart  
You play round with my mind  
You play round with my feelings  
For the very last time

If this is what they call love then I don't want no part of this  
All this back and forth [?] all your broken promises  
[?] you keep lying to me constantly  
Get up off your knees 'cause I need loyalty and honesty

Don't tell me that you love me if you ain't gon' ride for me  
How I'm supposed to trust you if you always lie to me  
I thought I was your baby but you betrayed me  
And things ain't been the same between us lately

Don't tell me that you love me if you ain't gon' ride for me  
How I'm supposed to trust you if you always lie to me  
I thought I was your baby but you betrayed me  
And things ain't been the same between us lately

[?] stuck up in a daze  
I gave you all of me and then you threw it all away  
Thinking 'bout us walking home from school all [?]  
Now you do me all these crazy things I wouldn't do ya

I even held you down when you was [?]  
I even stuck around when she said that was your kid  
I'm tired of all the lies and dealing with all your drama  
Went from being in love [?] around ya

Don't tell me that you love me if you ain't gon' ride for me  
How I'm supposed to trust you if you always lie to me  
I thought I was your baby but you betrayed me  
And things ain't been the same between us lately

Don't tell me that you love me if you ain't gon' ride for me  
How I'm supposed to trust you if you always lie to me  
I thought I was your baby but you betrayed me  
And things ain't been the same between us lately

You been acting kinda strange lately, mmh-mmh  
Mmh-mmh, mmh-mmh
