

Into You

Cymphonique

Give me a taste of my own medicine
Boy you got me wild'n
When I'm with you I'm hesitant
But you bring that right out of me
(Right out of me)
I know you waiting out for me
On some different-ish trying to see
Can't be nothing but proud of me
(Proud of me)
I know you waiting out for me
On some different-ish trying to see
Can't be nothing but proud of me
That's why I
(That's why I)
That's why I'm so into you
That's why I
(That's why I)
That's why I'm so into you

I'm into you and you know it
I rock the boat and you floor it
You got me singing love songs
Like a poet, I'm in love you I know it
All I want is you
As long as you keeping it true
Just keep it 100 Ain't no realer than me and you
Woah addicted to you like Woah
Are you my medicine? or are you the flu?
Cause I'm sicker without you
I need you, your my Boo

Give me a taste of my own medicine
Boy you got me wild'n
When I'm with you I'm hesitant
But you bring that right out of me
(Right out of me)
I know you waiting out for me
On some different-ish trying to see
Can't be nothing but proud of me
(Proud of me)
I know you waiting out for me
On some different-ish trying to see
Can't be nothing but proud of me
That's why I
(That's why I)
That's why I'm so into you
That's why I
(That's why I)
That's why I'm so into you

Turn off the music we zoning
Pictures in the back like we posing
Snapchat videos we going
On continentals we coasting
Can't hold back and I don't and
You're my Xanax to potion
All this love you showing

All this love they showing oh

I'm so into you
(I'm so into you)
And everything you do is like woah
Paparazzi all up on my crew

And my favorite time is when we laid up
You say you like me without my makeup
And I like that. and I like him, and I like him
And I like that. Cause I'm lovin it
(And he lovin it) baby yeah

Give me a taste of my own medicine
Boy you got me wild'n
When I'm with you I'm hesitant
But you bring that right out of me
(Right out of me)
I know you waiting out for me
On some different-ish trying to see
Can't be nothing but proud of me
(Proud of me)
I know you waiting out for me
On some different-ish trying to see
Can't be nothing but proud of me
That's why I
(That's why I)
That's why I'm so into you
That's why I
(That's why I)
That's why I'm so into you

That's why I'm so into you baby
