

La La Bye Bye

Cymphonique

Blank pages in my diary
Cause I ain't got nothing to say
Blank spaces in my mind
Because I don't know what to think
Anymore, anymore

Tell me why does my heart feel torn apart
But why, why...

Did you leave?
Can't believe that... you ain't not here with me
It's unreal
It's so ill that it's not what's supposed to be
Now my eyes are cryin', cryin'...
And I can't speak though
I'm trying, but I can't
All I can say is
Lalalala bye bye
Lalalala bye bye...
All I can say is
Lalalala bye bye
Yeah, oh

Life's too short beter
Appreciate what you got
Before it's gone
I need you...
How could this be?
It hurts so bad that I can't breathe
You mean everything to me

Tell me why does my heart feel torn apart
But why, why...

Did you leave?
Can't believe that... you ain't not here with me
It's unreal
It's so ill that it's not what's supposed to be
Now my eyes are cryin', cryin'...
And I can't speak though
I'm trying, but I can't
All I can say is
Lalalala bye bye
Lalalala bye bye...
All I can say is
Lalalala bye bye
Yeah, oh

Rock-a-bye baby
On the tree top
That's where you left me
Must've forgot
Rock-a-bye baby
Love me or not
I deserve to know
Why did you go?

Did you leave?
Can't believe that... you ain't not here with me
It's unreal
It's so ill that it's not what's supposed to be
Now my eyes are cryin', cryin'...
And I can't speak though
I'm trying, but I can't
All I can say is
Lalalala bye bye
Lalalala bye bye...
All I can say is
Lalalala bye bye
Yeah, oh
