

# Number One

Cymphonique

You could say this  
You could say that  
Promise me the world  
And take a ride back  
Swear you gon' love me  
Tell me you really need me  
But you gotta show me  
And make me believe it  
(Ohh)  
And I ain't hearin'  
What you sayin'  
(Ohh)  
I'm only seein'  
What you doin'  
Ohh, if there's something to it  
You gotta prove it

So listen baby  
I'm waiting for you to show me

You ain't gotta tell me  
You could show me that I'm the one  
(Ohhh)  
You ain't gotta talk about it  
Shawty just be the one  
(Ohhh)  
She could be the one;  
He could be the one  
Treat me like the one  
He could-he could be the one  
You ain't gotta tell me  
You could show me I'm the one  
(Ohhh)

You could say I'm young  
Tell me what you want  
But I'm not crazy  
I gotta know  
Is it for real?  
Is it for show?  
Listen to me baby  
I gotta know  
I gotta know  
It ain't about the Louis  
Baby it ain't about the Gucci  
Oh I gotta be the uno  
Baby you know

So listen baby  
I'm waiting for you to show me

You ain't gotta tell me  
You could show me that I'm the one  
(Ohhh)  
You ain't gotta talk about it  
Shawty just be the one  
(Ohhh)

She could be the one;  
He could be the one  
Treat me like the one  
He could-he could be the one  
You ain't gotta tell me  
You could show me I'm the one  
(Ohhh)

One, one  
Second place won't work  
Third really hurts  
First is what I need  
And that's what I deserve  
In it to win it;  
Champion  
In it to finish, but I...  
Second place won't work  
Third really hurts  
First is what I need  
And that's what I deserve  
In it to win it;  
Champion  
In it to finish, but I...  
But I gotta be number one

You ain't gotta tell me  
You could show me that I'm the one  
(Ohhh)  
You ain't gotta talk about it  
Shawty just be the one  
(Ohhh)  
She could be the one;  
He could be the one  
Treat me like the one  
He could-he could be the one  
You ain't gotta tell me  
You could show me I'm the one  
(Ohhh)

I'm the one  
I'm the one  
One one
