

Say It To My Face

Cymphonique

I'm so good at what I do
I ain't watching you, but you got your eyes on me!
I know I pose a threat, I'm thanking you for that
'Cause when you're sleeping it's mine for the taking!

You might not like it but I'm doing it (Aye, aye)
You got the shot but what you doing with it? (Aye, aye)
So put your time to better use instead (Aye, aye)
You see my name a thousand times a day (Aye, aye)
I'm a big girl I can take it and run with it!
I know you got something to say, well get on with it!
HEY! Say it to my face, HEY! Say it to my face!
HEY! Say it to my face, HEY! Say it to my face!
So when you finished, let me know I'ma go get it!
'Cause what don't kill you make you stronger, I won't dig it!
HEY! Say it to my face, HEY! Say it to my face!
HEY! Say it to my face, HEY! Say it to my face!
Say it! Say it!

The same time it takes for you to conversate
I've gone and done the next thing you can talk about!
Cause I'm ahead of the game!
I'm on a speeding train, like you're my gasoline, there ain't no slowing down!

You might not like it but I'm doing it (Aye, aye)
You got the shot but what you doing with it? (Aye, aye)
So put your time to better use instead (Aye, aye)
Your run your mouth a million times a minute...(Aye, aye)
I'm a big girl I can take it and run with it!
I know you got something to say, well get on with it!
HEY! Say it to my face, HEY! Say it to my face!
HEY! Say it to my face, HEY! Say it to my face!
So when you finished, let me know I'ma go get it!
'Cause what don't kill you make you stronger, I won't dig it!
HEY! Say it to my face, HEY! Say it to my face!
HEY! Say it to my face, HEY! Say it to my face!
Say it! Say it!

If you really wanna get 'em
This is what you tell 'em, say it, say it, say it, say it
They sting you with the venom
Only if you let 'em say it, say it, say it, say it
My skin made out of leather
I think they missed the memo! Say it, say it, say it, say it
This will really get 'em, you know what to tell 'em... say it, say it, say it, say it

You might not like it but I'm doing it (Aye, aye)
You got the shot but what you doing with it? (Aye, aye)
So put your time to better use instead (Aye, aye)
Your run your mouth a million times a minute...(Aye, aye)
I'm a big girl I can take it and run with it!
I know you got something to say, well get on with it!
HEY! Say it to my face, HEY! Say it to my face!
HEY! Say it to my face, HEY! Say it to my face!
So when you finished, let me know I'ma go get it!

'Cause what don't kill you make you stronger, I won't dig it!
HEY! Say it to my face, HEY! Say it to my face!
HEY! Say it to my face, HEY! Say it to my face!
Say it! Say it!
