

Takin' Over

Cymphonique

I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)
If you don't know me
(If you don't know me)
If you don't know me
(If you don't know me)
You're gonna know me
(You're gonna know me)
You're gonna know me
(You're gonna know me)
I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)

I'm super fresh, I'm super fly
You can't hold me back it's my time
You lock the door, I'm comin' in
I got the key, and I am here to win
Like the birds, I fly
I'm a star, and I am ready to shine
I heard 'em talking, about me and
You wanna tell me somethin' talk to the hand

I'm a show stopper
(Lights, Camera, Action)
I'm a shot caller
(One, Two, Three, Four)
I'm a S-T-A-R headin' straight to the top
And I'm a

I'm a show stopper
(Lights, Camera, Action)
I'm a shot caller
(One, Two, Three, Four)
I'm a S-T-A-R headin' straight to the top
And I'm a

I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)
If you don't know me
(If you don't know me)
If you don't know me
(If you don't know me)

Call paparazzi, snap the shots
I'm not conceded but, baby I'm hot
Mirror mirror, on the wall
Cinderella is ready for the ball
They scream my name, I hit the stage
Pick up the magazine I'm on the front page
Ready or not, here I come
The game ain't over and I already won

I'm a show stopper
(Lights, Camera, Action)
I'm a shot caller
(One, Two, Three, Four)
I'm a S-T-A-R headin' straight to the top
And I'm a

I'm a show stopper
(Lights, Camera, Action)
I'm a shot caller
(One, Two, Three, Four)
I'm a S-T-A-R headin' straight to the top
And I'm a

I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)
If you don't know me
(If you don't know me)
If you don't know me
(If you don't know me)
You're gonna know me
(You're gonna know me)
You're gonna know me
(You're gonna know me)
I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)

Rule number one, this ain't a game
Rule number two, baby never ever change
You play with fire, deal with the flames
Saddle up 'cause we are about to make it rain
Limousine, fancy cars
Red hot, now I'm dancing with the stars
My hand is poppin', I've got the bling
Turn up the music and watch me do my thing

I'm a show stopper
(Lights, Camera, Action)
I'm a shot caller
(One, Two, Three, Four)
I'm a S-T-A-R headin' straight to the top
And I'm a

I'm a show stopper
(Lights, Camera, Action)
I'm a shot caller
(One, Two, Three, Four)
I'm a S-T-A-R headin' straight to the top
And I'm a

I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)
If you don't know me
(If you don't know me)
If you don't know me
(If you don't know me)

You're gonna know me
(You're gonna know me)
You're gonna know me
(You're gonna know me)
I'm takin' over
(I'm takin' over)
I'm takin' over
(I'm takin' over)
