

# Thinking About You

Cymphonique

Woke up one morning, with tears in my eyes  
Cause you had left me without a kiss or a note or  
Goodbye  
Now I gotta learn to live alone  
But my heart can't take it I guess that's why I wait here  
By the phone  
For a call, a call from you  
That says you need me back just as much as I need  
You  
But I guess for a time you need to stay away  
Let me tell you baby how I'm thinking of you everyday

Thinking about you, I'm thinking about you, thinking  
About you  
I'm thinking, I'm thinking!  
Thinking about you babe... thinking about you  
Thinking about you babe

Now I'm zoning tryna kill some time  
But no matter how hard I try still I can't get you out of  
My mind  
I'd be lying if I said I'm okay  
Toss my phone out the window and threw all of your  
Pictures away  
Feeling sick, thinking I should've knew  
Now I'm stuck here tryna get rid of everything that  
Reminds me of you  
And I admit that it doesn't feel right  
Without you here in my life, without you here by my  
Side  
I'm sorry it's over goodbye even though I'm

Thinking about you, I'm thinking about you, thinking  
About you  
I'm thinking, I'm thinking!  
Thinking about you babe... thinking about you  
Thinking about you babe
