

## Bubble Bath

CYN

I just checked and I leave at 4 AM  
But I don't give a damn  
I'm bailing on my best friend from middle school  
But she'll understand  
(Grab the shitty Cabernet, I'll put on the Bon Iver)

Ah...  
I say we stay in and get closer (ooh)  
Ah...  
I wanna light a candle, get to know ya

Let's get wet, let's get wet, in the bubble bath, yeah  
I get my dirtiest in the bubble bath, yeah  
There's room for the two of us if I climb on top, yeah  
Let's get wet, let's get wet, in the bubble bath, yeah

Let's get wet (hey!)  
Let's get wet (hey!)  
There's room for the two of us if I climb on top  
Let's get wet, let's get wet (hey!)

My heart stopped when I saw you on the corner  
Wearing just a yellow jacket  
Now you're looking at my books and I'm laughing  
How you look reading naked  
(I was just trying to be cool, I don't listen to Bon Iver)

Ah...  
I say we stay in and get closer (ooh)  
Ah...  
I wanna light a candle, get to know ya

Let's get wet, let's get wet, in the bubble bath, yeah  
I get my dirtiest in the bubble bath, yeah  
There's room for the two of us if I climb on top, yeah  
Let's get wet, let's get wet, in the bubble bath, yeah

Let's get wet (hey!)  
Let's get wet (hey!)  
There's room for the two of us if I climb on top  
Let's get wet, let's get wet (hey!)

Let's get wet, yeah (hey!)  
Let's get wet, yeah (yeah)  
There's room for the two of us if I climb on top  
Let's get wet, yeah (hey!)  
Let's get wet, let's get wet  
Let's get wet, yeah

They said the water's always wetter on the other side (hey!)  
I'm blowing bubbles (let's get wet) with my [?] 'cause both my hands are tied  
I told you once, I told you twice, I told you twice  
Yes, I told you twice  
Can't make it up

Let's get wet, let's get wet, in the bubble bath, yeah

I get my dirtiest in the bubble bath (can't make it up) yeah  
There's room for the two of us if I climb on top, yeah  
Let's get wet, let's get wet (hey!)
