

Crazy

CYN

Making plans
Blowing them off again
She's my most flakey friend
She's a remedy
Told me once
Before we went out to brunch
This guy tried to cut her off
She punched him in the teeth

With her sugar high
Cherry red
Docs on the beach
She's got her hand in my pocket
But she won't talk to me

She's so crazy
Cannot put my finger on it
Like a daisy
Shooting up out in your garden
She'll never grow up
She'll never go home
Oh, there she goes
Running through your mind again
She's so crazy
Cannot put my finger on it

She's got a secret meme account
She tells all her friends about
Everyone except me
That time she started a rumor
She kissed a teacher
He was gone in a week

Neon lights flash
Every time that she speaks
She's got an anarchy tattoo
But all she brings me is peace
With her sugar high
Cherry red
Docs on the beach
She's got her hand in my pocket
But she won't talk to me

She's so crazy
Cannot put my finger on it
Like a daisy
Shooting up out in your garden
She'll never grow up
She'll never go home
Oh, there she goes
Running through your mind again
She's so crazy
Cannot put my finger on it

Sometimes I feel like
I don't even stand a chance
Do you think she'd wanna be my friend?

She's so crazy
Cannot put my finger on it
Like a daisy
Shooting up out in your garden
She'll never grow up
She'll never go home
Oh, there she goes
Running through your mind again
She's so crazy
Cannot put my finger on it
