

# I Don't Care

CYN

Venting on the hot cement  
Nothing's ever permanent  
Hey baby, I don't owe you shit  
I'll keep it simple, I'm over it

I won't now and I won't later  
You can't force me, Darth Vader  
Dropped you like a hot potato  
I don't hate ya, I don't hate ya

I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
Curls in my hair, dancing in my room, in my underwear  
Only got serenity, no enemies, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
Curls in my hair, dancing in my room, in my underwear  
Only got serenity, no enemies, I don't care

Yesterday I leveled up  
Turns out life is really tough  
Turns out I can love a lot 'cause I love a lot  
And I just can't stop  
Everyone knows I don't give up

I won't now and I won't later  
You can't force me, Darth Vader  
Dropped you like a hot potato  
I don't hate ya, I don't hate ya

I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
Curls in my hair, dancing in my room, in my underwear  
Only got serenity, no enemies, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
Curls in my hair, dancing in my room, in my underwear  
Only got serenity, no enemies, I don't care

Oh-whoa  
So run around the bungalow  
Try and sell that Rembrandt you stole  
Oh-whoa  
You look better on the internet  
But you're not really better yet

I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care

I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
Curls in my hair, dancing in my room, in my underwear  
Only got serenity, no enemies, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care  
I don't care, I don't care, I don't care, I don't care, I don't care

Curls in my hair, dancing in my room, in my underwear  
Only got serenity, no enemies, I don't care
