

Losing Sleep

CYN

Lately, I'm losin' sleep
Got my R.E.M. kinda weak
Yeah, I'm tossin' and turnin' all over you
Lately, I'm losin' sleep
Yeah, you know what you do to me
It's a dreamlike reality 'cause of you

He's got a lot of drama, it's a drama
But he's so, so tall
I got faith in his face
Yeah, it's all God's fault
Did some research, feelin' weaker
Said he heard me through the speakers
That his brother's just another night, I'm up all night

Lately, I'm losin' sleep
Got my R.E.M. kinda weak
Yeah, I'm tossin' and turnin' all over you (Everybody)
Lately, I'm losin' sleep
Yeah, you know what you do to me
It's a dreamlike reality 'cause of you

That's why I'm losin' it, losin' it, losin' it
I'm talking 'bout sleep
Losin' it, losin' it, losin' it
Every day of the week
Losin' it, losin' it, losin' it
Can't keep these chains off of me
It's better than any dream when I'm with you, I'm losin' sleep

Karma, he's a trauma
I deserve it all
It's like fate, couldn't wait
Pray for me to fall
On the ceilin', I'm feelin' the kind of healin'
Like when rain falls in the summer, just another night
I'm up all night

Lately, I'm losin' sleep
Got my R.E.M. kinda weak
Yeah, I'm tossin' and turnin' all over you (Everybody)
Lately, I'm losin' sleep
Yeah, you know what you do to me
It's a dreamlike reality 'cause of you
Lately, I'm losin' sleep
Got my R.E.M. kinda weak
Yeah, I'm tossin' and turnin' all over you (Everybody)
Lately, I'm losin' sleep
Yeah, you know what you do to me
It's a dreamlike reality 'cause of you

That's why I'm losin' it, losin' it, losin' it
I'm talking 'bout sleep
Losin' it, losin' it, losin' it
Every day of the week
Losin' it, losin' it, losin' it
Can't keep these chains off of me

It's better than any dream when I'm with you, I'm losin' sleep

Givin' into his power, got me wakin' up every hour
Got my heartbeat beatin' louder, tossin' and turnin' all over you
Sinkin' into the clouds, got me seein' every color
It's a dreamlike reality 'cause of you

That's why I'm losin' it, losin' it, losin' it
I'm talking 'bout sleep
Losin' it, losin' it, losin' it
Every day of the week
Losin' it, losin' it, losin' it
Can't keep these chains off of me
It's better than any dream when I'm with you, I'm losin' sleep
