CYN

You said you've never been melted before  
Your heart's never really dripped on the floor  
You don't think that I could make you liquid  
I could make a love that's just so fluid

You said you've never been melted before  
Never have you had your heart on the floor  
I could do it  
Well I know I could do it  
Maybe I'd surprise you  
let's get right to it

I know I will  
I know I will  
I know I will  
Well I know I will

Never have you been impressed by all that  
Don't need a girl who fucks with all the frats  
Well I don't  
No I don't

Never have you been impressed by all that  
Looking for girls who've got all of that depth  
Well I do  
Oh yes I do

Well I know I will  
I know I will  
I know I will  
Impress you, I do  
I know I will  
I know I will  
I know I will  
Well I know I will
