

Together

CYN

Dum dah dah dum
Dum dah dah dum
Dum dah dah dum
Bum bah dah dum

Like the moon in the night
Can't have one without the other
Like a bird and its flight
They just make more sense together
How the sweetness of the candy
Is nothing without the sugar
(Ooh)
(Ooh)

There's no way I can be without you
There's no way I can be without you
There's no way I can be without
You got a heart that beats in time with mine
Don't wanna fight with nobody else
Don't come alive with nobody else
Would be a lie with somebody else
I guess that's why we go

Together, together, together
That's the way we go (that's the way we go)
That's the way we go (that's the way we go, hey)
Together, together, together
That's the way we go (that's the way we go)
That's the way we go (that's the way we go)

Like the red in a ruby
There's no color when you leave me
Like the cream to the whipping
You got just the touch that I need
You'll be Jerry, I'll be Dean
Bells will ring, ring-a-ling
(Ooh)
(Ooh)

There's no way I can be without you
There's no way I can be without you
There's no way I can be without
You got a heart that beats in time with mine
Don't wanna fight with nobody else
Don't come alive with nobody else
Would be a lie with somebody else
I guess that's why we go

Together, together, together
That's the way we go (that's the way we go)
That's the way we go (that's the way we go, hey)
Together, together, together
That's the way we go (that's the way we go)
That's the way we go (that's the way we go, hey)

Dum dah dah dum dum dah dah dum dum
Dum dah dah dum dum dah dah dum dum

Dum dah dah dum dum dah dah dum dum
Dum dah dah dum dum
Oh let me hear you say
Dum dah dah dum dum dah dah dum dum
Dum dah dah dum dum dah dah dum dum
Dum dah dah dum dum dah dah dum dum
Dum dah dah dum dum
Oh let me hear you say

There's no way I can be without you
There's no way I can be without you
There's no way I can be without
You got a heart that beats in time with mine
Don't wanna fight with nobody else
Don't come alive with nobody else
Would be a lie with somebody else
I guess that's why we go

Together, together, together
That's the way we go (that's the way we go)
That's the way we go (that's the way we go, hey)
Together, together, together
That's the way we go (that's the way we go)
That's the way we
(Hey)
