

Misty Blue

Cyndi Lauper

Oh, its, been such a long long time
Looks like I got you off of my mind
But I can't, just the thought of you
Turns my whole world misty blue

Just the mention of your name
Turns a flicker to a flame
I think of the things we used to do
And my whole world turns misty blue

I should forget you, baby
Heaven knows I've tried
But when I said that I'm glad we're through
My heart knows that I've lied

Just the thought of you
Turns my whole world misty blue
