

## She Bop

Cyndi Lauper

We-hell- I see them every night in tight blue jeans  
In the pages of a blue boy magazine  
Hey I've been thinking of a new sensation  
I'm picking up - good vibration -  
Oop - she bop -

Do I wanna go out with a lion's roar  
Huh, yea, I wanna go south n get me some more  
Hey, they say that a stitch in time saves nine  
They say I better stop - or I'll go blind  
Oop - she bop -

She bop - he bop - a - we bop  
I bop - you bop - a - they bop  
Be bop - be bop - a - lu - she bop,  
I hope He will understand  
She bop - he bop - a - we bop  
I bop - you bop - a - they bop  
Be bop - be bop - a - lu - she bop  
Oo - oo - she - do - she bop - she bop

(whistle along here...)

Hey, hey - they say I better get a chaperone  
Because I can't stop messin' with the danger zone  
No, I won't worry, and I won't fret -  
Ain't no law against it yet.  
Oop - she bop - she bop -

She bop - he bop - we bop.....
