## **Born to Get Busy**

Cypress Hill

Born to get busy, born to get busy baby Born to get busy, born to get busy baby

I'm the the stiff and I do get nicer Up the pussy when we in the same party, what We can do this bro, we can't be maxin' The figures is useless, unless we're taxin'

This is a perfection and my tribe's the cash dump Known as a musician, imitator act up Nobody's kid brother, that means I'm up for this task And I set out from the beginning, to kick on the scratch

Using modern technique, I place a beat in a rap I went to learn acquire knowledge of a scholar went to college, all Comes very handy when it comes to pushin' shovin' and stuff Then ask who is he though, I'm not the sissy

I'm stiff to neutral brother, and I'm born to get busy Let us start to freak you and we'll make you feel alright When you come to Cypress Hill Make sure that you're down with the tribe

'Cause we're born to get busy, born to get busy baby Born to get busy, born to get busy baby Born to get busy, born to get busy baby Born to get busy, born to get busy baby B-B-Busy

As I stroll the ever ways of the Buddha masters As I smoke my joint I feel one with the earth But a brother like me keeps on walkin to get to the Next sign then blaze the next joint

{The, physical effects of marijuana The first sensations may be felt instantly After having smoked grass or an hour after having eaten Usually, they creep slowly into this stoned condition Inch by inch, sliding upward, but to beatnik The effects may come upon you, suddenly And startle you full force}

{(The, physical effects of marijuana) (There are four basic types of marijuana) Psychologically, sometimes the early psychological stages Coincide with the early physical stages experienced while stoned The famous 'Mind Expansion' Comes after the famous physical sensation Grass, heightens and distorts For example, profound revelations You may think you have profound revelations, only to discover}
