

# Call Me

Czarface

Hello?

(Call me) 'Cause I misinterpreted your text  
(Call me) I promise it'll only be a sec  
(Call me) I send you facts, no mistake  
(Call me) You skimmed it like a rock down the Cape  
(Call me) It'd be cool if we spoke  
(Call me) You type like your fuckin' hands broke  
(Call me) Or maybe you just drinkin'  
Autocorrect don't know what you're thinkin'  
I'll call you soon, ok? Let me be specif-ic  
You could keep that gif (It's called jif)  
I'd know it if we chatted more  
I'd get more words out my Labrador  
I can't make out what you're saying  
So call me, we'll put the (what-what) to an end, yo

Hit me up, Hit me up

(Call me) Nah, I can't cause I'm drivin'  
(Call me) C'mon man, you know how busy I been  
(Call me) Can't you just say it with a meme?  
Last time you had bad service and I had to scream  
Then you thought I was mad, we had to fix it  
I try to keep it simple, now you sayin' I'm some bitch shit?  
(Call me) I can't, I'm about to go to bed  
(Call me) Please accept this emoji instead  
I've been workin' all day long  
I don't wanna talk, man, ain't nothin' wrong  
(Call me) I just don't have it in me  
It ain't that serious, you ain't askin' for a kidney  
(Call me) Nah, man, everything is cool, kid  
You want me on the phone so you can pull me into bullshit  
(Call me) I don't know how to make this shit clear  
(Call me) Every time we speak there's dead air  
And don't Facetime me neither  
You call and ask Paul or call it hayfever  
(Every time you call me phone, you make me blush)

Hit me up, Hit me up
