

Face Show

D'Banj

File!
Bangalee!
I must greet you all, Specially!

Your face show (your face show)
Your shoe shine (your shoe shine)
Your teeth white (your teeth white)
We outside (we outside)
Your face show (your face show)
Your shoe shine (your shoe shine)
Your teeth white (your teeth white)
We outside (we outside)

March while you step
March while you step
March while you step
March while you step

Wave while you step
Wave while you step
Wave while you step
Wave while you step

Now drop (drip drop)
Now drop

So I flew to dubai
Met my man Tiga
Chilling with shilla
Smoking my ciga
Looking at the girl in the corner called Stella
Oh, am gonna steal her
Take her to my Villa
Oh no, please
Don't tell your brother this
Uh we yes, what can of dish e dish
Humm humm humm, I like to give you kiss
You already know
When I pull up is a feast

Your face show (your face show)
Your shoe shine (your shoe shine)
Your teeth white (your teeth white)
We outside (we outside)
Your face show (your face show)
Your shoe shine (your shoe shine)
Your teeth white (your teeth white)
We outside (we outside)

March while you step
March while you step
March while you step
March while you step

Wave while you step
Wave while you step
Wave while you step

Wave while you step

Now drop (drip drop)
Now drop

Nigerian koboko, you don't blow like boko
If you know the koko
Then come show your logo
My sweat clean
When you see me, greet me specially
Ain't nobody flyer than me
Ask Bangalee
I always stay clean
(Gba be)

That's how star do
You know how I do
If you boo get a boo
I am the boo

Your face show (your face show)
Your shoe shine (your shoe shine)
Your teeth white (your teeth white)
We outside (we outside)
Your face show (your face show)
Your shoe shine (your shoe shine)
Your teeth white (your teeth white)
We outside (we outside)

March while you step
March while you step
March while you step
March while you step

Wave while you step
Wave while you step
Wave while you step
Wave while you step

Now drop (drip drop)
Now drop
