Let me take you down to california, you know i'm a bad boy
No need to contemplate, omo we'll be running in a bad toy
We can keep the feelings missing or we can keep it ontop
We gonna do things everywhere then end up in the bath tub
Now that youre in my zone
Theres no need to denge pose, your check is in the post
You just came down from my coast (yes just came down from my coast)
Don't you know this is a toast
Bring your friends and bring your folks...finally

You will need me finally
You will love me finally
You will need me finally
You will want me finally
You will need me finally
You will love me finally
You will need me finally
You will want me finally

Ki lo n se e obalagalala (ah o)
Ki lo n se won obalagalala (o o o)
