

Scape Goat

D'Banj

I'm Dbanj, ose ose hmm (and you know now)
Don don don jazzy again
Now this goes out, to my one n only sweet potato in the world
My vow to you

Take my heart, take my love
Take my body come build my home
Stay with me Iyawo mi
Cos you love me
I will be your scapegoat honey
Cos you came through for me
You gave me breakthrough baby (oh ahh)
I will be your scapegoat honey
Cos you came through for me
You gave me breakthrough baby (oh ahh)

Baby boo I can see your eyes
Say you don jam many fools for your life
Dem go come as lovers as dem disguise
But as time goes by na ur body be the prize
Success sef wey you carry na die
Thats why sometimes I no dey surprise
Dem go say dem love you but that na lie
Chop and clean mouth tell you bye bye
Me sef I no tell you say na me holy pass
Some people dey talk say I dey use jazz
Dem say I bush, some say I razz
Dem say I be nobody, I no get class
Well, I've been bad and I know it
And I'm sorry wanna show it
But no one, will give me a chance to prove myself
Despite what you've heard of me
You still went ahead to be with me
You have chosen to be there for me
To you I make this vow I say

Take my heart, take my love
Take my body come build my home
Stay with me Iyawo mi
Cos you love me
I will be your scapegoat honey
Cos you came through for me
You gave me breakthrough baby (oh ahh)
I will be your scapegoat honey
Cos you came through for me
You gave me breakthrough baby (oh ahh)
For all those guys that caused you pain
That broke your heart and brought you shame
If you need someone to blame
You can put the blame on me
For all those guys wey spoil your name
Those guys that drove you insane
Let me be the one to pay
At your beck and call with no delay
I'll stay committed to you girl
I'll never fall your hand
Let let them call me a fool girl

Omo na dem get their mouth oo
I've been bad and I know it
And I'm sorry wanna show it
But no one, will give me a chance to prove myself
Despite what you've heard of me
You still went ahead to be with me
You have chosen to be there for me
To you I make this vow I say

Take my heart, take my love
Take my body come build my home
Stay with me Iyawo mi
Cos you love me
I will be your scapegoat honey
Cos you came through for me
You gave me breakthrough baby (oh ahh)
I will be your scapegoat honey
Cos you came through for me
You gave me breakthrough baby (oh ahh)
