

Runnin' the trenches then sit on no benches
Runnin' from jakes tryna dodge the arrest
Mind on my block, I'm on top of what's left
I had to switch up the show to the stare
Used to dream 'bout Lambos, APs while I bag out
Now, I blew a million on watches this month
Scopes on deck, we just stoppin' for lunch
She order a pornstar, I mix my lean up
Rich nigga, roll 'round town in a convoy
Rider lil' bitch with me, dressed like a tomboy
Eight different Goyards one day, and I Snapped it
Still cum too fast in her pussy, it's magic
I need a freaky lil' bitch that can hack it
Platinum Rollies, still got on the plastic
Strokin' on her G-spot, my middle finger tatted
Comfy in public 'cause me and my nigga patterned
Quarter million euros in a stash spot in Paris
Just left the galleries, ten K on jackets
Bad like a bandit but humble with manners
When I get out of bed and turn my camera on, I'm braggin'

Mhm, I just ordered hunnid [?] in
Need a little diva that can be there, yeah
Need her to receive it
Bad like badgalriri (Oh)
Bad like Riri, bad like badgalriri (Mhm-mhm)
Louis all season (Okay)
I'ma make sure that she receive it

Catch me slidin' in the Brabus (Brabus)
My nigga in the passy, he all cutty like the barbers (Barbers)
If it's Audi, then it's RS (RS)
Have a dog down walkin' he ain't sittin' in a harness
They are sons, we are fathers (Fathers)
Said she'll never fuck a rapper, said she'll never fuck a artist (Artist)
I ain't get it retail, but I charge it (Charge it)
With the bricks resale, it's a bargain (Bargain)
Beezo got birds to sell (Brr)
She could take a little dick, but she prefer the girls (Uh-uh)
V12, yeah, they heard me well
I turned a hood bitch straight into a Hermès girl (Yeah)
Half a zip in my cup, if my [?] can bag it
Louis V rugs, no Aladdin
Pourin' lean, I keep sleepin' in traffic
When I get out of bed and turn my camera on, I'm braggin'

Mhm, I just ordered hunnid [?] in
Need a little diva that can be there, yeah (Mhm)
Need her to receive it (Need it)
Bad like badgalriri (Oh)
Bad like Riri, bad like badgalriri (Mhm-mhm)
Louis all season (Ah)
I'ma make sure that she receive it
