

Birds Are Chirping

D-Block Europe

Yeah, narsayee
When made it out the mud, you only want positive shit around you
Good vibes
Tell that bitch "No negativity around us, darling"
Get kicked out of the suite for that shit, huh
Yeah (Ski, ski, ski)

My mother told me "Watch the people that you move with"
My new car on order, lookin' like a cruise ship (Like a cruise ship)
I robbed a couple niggas that I went to school with (Went to school with)
Whippin' up in the kitchen, it look like Cool Whip (Ski, ski, ski)
This year, seen a couple dramas, no problems, tonight, I'm feeling clean
She said her boyfriend is controlling, but tonight, she feeling free
Next year, I'm a multimillion pound nigga, used to trap in OT
No dramas and no palaver, girl, tonight, it's all on me

I like my double cup dirty just like my bitch (Like my bitch)
Private estate, the birds are chirpin' 'round the crib
Now I cannot fit no more juices in my fridge (In my fridge)
I'm prayin' for repentance, all the things I did (Things I did)
Now I got ashes on my jeans, in Givenchy
And I get some racks to travel the world from sea to sea (From sea to sea)
And I'm watching my dog and my daughter on CCTV
It's positive vibes in the crib, only good drink and weed (Good drink and weed)

My mother told me "Watch the people that you move with" (Yeah, yeah)
My new car on order, lookin' like a cruise ship
I robbed a couple niggas that I went to school with
Whippin' up in the kitchen, it look like Cool Whip

She said her boyfriend is controlling, but tonight, she feeling free
Next year, I'm a multimillion pound nigga, used to trap in OT
No dramas and no palaver, girl, tonight, it's all on me

I spent so much cash in Harrods, girl, they're calling me a fashion God (Fashion God)
Ain't got no packs see, get up and go, you know I'm a trapping boss
Why you think that I work so hard? Girl, I ain't been sleep for the whole week (Whole week)
And I know that you miss me, girl, I can tell by the way that you phone me (Phone me)
I been countin' my loved ones lost, all this pain on my heart, all these scars I got (Scars I got)
I'm on these Xans, bands on me, you know how many Xans I bought?
I'm off the Henny straight all week but I prefer codeine (Codeine)
Girl, I know the Percocet numb me but I need some more peace
I'm in a Rolls Royce truck with my brodie, your girl just phoned me
Seen a real nigga act fake one time, learned to live's what you told me
Been a few L's but we fucked eight times, girl, you know I'm so horny
That pussy so sweet that it's on my mind, she ride the dick like a pony

My mother told me "Watch the people that you move with" (Yeah, yeah)
My new car on order, lookin' like a cruise ship
I robbed a couple niggas that I went to school with
Whippin' up in the kitchen, it look like Cool Whip

This year, seen a couple dramas, no problems, tonight, I'm feeling clean (Sk
i, ski)
She said her boyfriend is controlling, but tonight, she feeling free
Next year, I'm a multimillion pound nigga, used to trap in OT
No dramas and no palaver, girl, tonight, it's all on me
