D-Block Europe

You, you

Rocket in my pocket, baby, call it Tory (Ya dig?)  
Promethazine, like a nigga really pour it (Pour it)  
But, I be eatin' on the side, I'm the story  
High speed the car  
Sigh-see Milan  
My queen will never get it wrong  
I'm signin' up, I swear, a nigga signin' up

I'm signin' up, I swear, a nigga signin' out (Yeah)  
I said it's different when you fly it in the drought  
I swear it's different when you make it out the South  
I been tryna get the bag, but, Jimmy want the clout  
Seven figures, Dubai for a day  
Emirates airlines, we escape  
And I thought you did it for me, well, you stay  
And if I tell my nigga pour me, oh, you stay  
White girl, and it's sellin' like Ella

So impatient, want this cash, I want it fast, and I won't [?]  
This way this money change you're life, you won't ever want to leave (Want t
