

## Cartier Frames

## D-Block Europe

Hit the port, hit the port, wake 'em up  
Other shottas, six in the morning, they're fucked  
Shotty shells, really loud, wake them up  
Neighbours racist so we shoot that shit and cut  
Yeah, started again, mm, mm, mm  
Just spent racks on Cartier frames, mm, mm  
Ate that bitch in Paris, I ate that bitch in Spain (I ate that bitch in Spain)  
Right now, my head ain't in a good space, I'm going through pain  
Drugs are numbing the pain  
Drugs are numbing the pain (Numbing the pain)  
These drugs are numbing the pain (Numb)  
She in love with the thug, she in love with the ways  
Got LV on my bag and I'm gunnin' the game

Send it OT, that's three thousand a day (Three thousand a day)  
Repeat, repeat, hit the trap, Pyrex, just start again (Just start again)  
Jakes just done a raid, it's started again (OT, OT, OT, OT, OT) (Huh)  
130 in a day (130 in a day)  
Went Harrods and I got some Cartier frames (Cartier frames)  
Bitch just hit me up, she's startin' again  
Repeat, hit the trap, I started again  
Lost all my P, got crack, started again

Opp block, opp block, opp block, guns they're running again  
Baby, if you're ever low then I will pick you up (Yeah, yeah)  
Opp block, opp block, opp block, guns they're running again  
Baby, if you're ever low then I will pick you up

She in love with the thug, she in love with the waist  
Got LV on my bag and I'm gunnin' the game

Talking to my nanny  
Selling crack just like it's candy  
Gotta shoutout all my family  
They understand me when I'm angry  
Fucked her in the hotel, crazy care bear  
Yeah, I mixed the lean with Sprite and gummy bears  
And I hate it when these fuckin' niggas stare (Stare, stare, stare)  
You a eagle or a bird, are you prepared?  
Spat in her mouth, she was like "Eww"  
Touch my chain, you'll make the news  
Just took the roof off the coupe (Yeah)

Hit the port, hit the port, wake 'em up (6:30)  
Other shottas, six in the morning, they're fucked (6:30)
