

Home Alone 2, narsayee?  
Yeah

I sent a prayer for you 'cause I been there and I mean well (Yeah)  
I'm tryna hear the truth, I want everything with the details  
My nigga [?] and the gang go missing my nigga gon' rebel  
The same position Patek and I'm grippin', I've been in LB's world  
My diamonds, they glow in the dark, space invade, I'm fly  
My body is covered in scars, she just wanna know why  
I spent half a milli in March, just let the money multiply  
She got arse, the prettiest thighs  
Trappin' out Albert Heijn  
Cryptos and ice (Ice), cryptos and crime  
Dior slippers, she got new nails, in the fast lane  
I hate sipping, put the cup down 'cause I'm past pain (I'm past it)  
Patek Philippe is a must, AP fully buss (Yeah)  
A hundred pack on the Patek, step with the shooters in Paris  
She step in my Porsche with the big thighs, automatic (Skrtrt)  
Exchange the pain for a Xanny (Yeah)  
I'm switchin' lanes on the molly

Yeah, in a ideal world, girl, I guess time will tell  
I done hit my cells from [?] to Ladywood, Lozelles  
Never meant to hurt you, I meant well  
Even faced in the worstest, I can't tell  
I hold these morals so close in my heart, pay attention to every detail  
I just went to the jewellery store, walked out with an Audemars  
You ever see gun Jakes and you got it on you? That's an awkward one  
Only Rollie's, I'm rocking the 41's, RM's an important one  
18K presidential, Eid Mubarak, bought my daughter one  
Multiple colours, Chanel, she puttin' her foot on the pedal, accel'  
Public appreciation, you came in my life and you changed up my world  
All of the fiends, they all know me well  
Pourin' up lean, I move like a snail  
I'm pickin' this girl over everyone else  
Eight bags on this drum, I need one hundred bells  
Twenty-five thousand and it's green, P&L  
One-hundred thousand and it's green, P&L  
Still got Cali through the mail  
Adaam and madow there as well  
I'm just playin' Warzone in my hotel  
And I sent her out to go do her nails  
Cryptos and ice, crypto's and crime  
Cryptos and ice, crypto's and crime (Yeah)  
Cryptos and ice, crypto's and crime  
Cryptos and waps, crypto's and-

Niggas came out the fuckin' mud  
Flippin' 10K to fuckin' [?]  
The market's taken over, they're not even ready for what's about to come, ma  
n  
Shuttin' this Crypto game down for real  
[?] takin' over this Crypto stuff  
Turnin' grands to Ms  
They've never seen nothin' like this before, man, trust me  
We're the new age
