D-Block Europe

Yeah, yeah  
Yeah, yeah, yeah

You got all that drip  
Up in the world, I rather see you naked  
I ain't into rushing, baby girl be patient  
So I had to keep her waiting  
She can fuck me if she tastes it

Yeezy's 700 in the spaceship  
I just free my drillas  
50, 000 now I'm looking like I fucking made it

Every nigga got a bitch that's bad as fuck  
Every nigga rich now on the gramstar  
I used to bag it at the Hilton  
Shawty, want my children  
I just [?], but does it really hurt my feelings  
Streets and fuck the system  
Money help with healin  
I'll be getting high's off my doctor from prescriptions  
Streets and fuck the system  
Money help with healin  
I'll be getting high's off my doctor from prescriptions

I need a baecation, to change my location  
And now I was ten toes down, I change my situation

Can you show me all the love  
We be fucking with all fours  
Put the lean in this sprite, now it's more  
I put [?] in the trap, I had to listen  
I met the jeweller and now my wrist it glisten  
All this money from my agent now I'm different  
Head hanging out the Porsche and they tripping  
You can ask my whole hood, he'll be trappin his life away  
(I make thousands in a day, tell my lady no time today)

Out in LA  
Narsayee  
If she pour another fours  
Imma lose my brain  
If I pour another fucking fours, I won't feel my face  
Got, the rollie pollie, a sixteen that is strange

[?] 41  
Niggas stab me in my lung  
All this ice has got me numb  
She gonna put it on her tongue

I need a baecation, to change my location

If you won't let me fuck tonight then let me taste it  
60 floors up in the sky we can see spaceships

Pussy bite it tight like my Louboutin laces  
Pour some lean in my Mirinda, now I'm wasted  
Gucci make a bad bitch say

Mhm Mhm

New Chanel bag

Mhm Mhm

Baby don't stop no

Mhm Mhm
