

## Intro (PTSD)

D-Block Europe

Rhymes  
Yeah

Numb me for real  
The weed, lean, codeine, it's all on the shelf  
We in the field  
Clean machines and we've got a dozens of shells  
Yeah, she take a pill  
We take a pill  
Now we just fucking for real  
In love with me still  
And I still care about how all my customers feel  
Numb me for real  
The weed, lean, codeine, it's all on the shelf  
We in the field  
Clean machines and we've got a dozens of shells  
Yeah, she take a pill  
We take a pill  
Now we just fucking for real  
In love with me still  
And I still care about how all my customers feel

Yeah  
I just swam from your pussy to your arse darling  
Fuck every other nigga in your past darling  
Make you cum, make you moan, make you laugh darling  
Niggas new to this money, they won't last darling  
Shoppin' up in Paris, they say "Bonjour"  
Drip set flight like the Concorde  
My AP bright like a flash torch  
I just took a Perc, I want one more  
Gelato to the face, I'ma face her  
Amiri jeans, baby, I ain't basic  
50K time, I don't waste it  
Crack came back and they said it was amazing  
I got some VV's on me  
Codeine for my PTSD  
Poolside, got a baddie with me  
Her name is Valerie, I just took her to the gallery

Numb me for real  
The weed, lean, codeine, it's all on the shelf  
We in the field  
Clean machines and we've got a dozens of shells  
Yeah, she take a pill  
We take a pill  
Now we just fucking for real  
In love with me still  
And I still care about how all my customers feel  
Numb me for real  
The weed, lean, codeine, it's all on the shelf  
We in the field  
Clean machines and we've got a dozens of shells  
Yeah, she take a pill  
We take a pill  
Now we just fucking for real  
In love with me still

And I still care about how all my customers feel

Met her in Paris, I flew her to Spain  
But the first time that she let me fuck was in Prague  
Unzip her zipper and pull down my jeans  
Put my dick in 'cause to make you cum, that's my task  
I just left the jeweller for some water  
Think I damn OD'd, bro, hand me water  
Changed the game, niggas sounding like my son and daughter  
Money long, we can go to war  
I just bought a brand new truck, Rove Range  
Windows so dark, they ain't gonna see my face  
I just wanna fuck, I don't wanna know your name  
Pop another Xan, I don't wanna feel the pain  
We spendin' thousands in France  
Saint Laurent safe for her heart, yeah  
These drugs, they just tear me apart  
Eat that pussy, I'll start with her arse, yeah

Numb me for real  
The weed, lean, codeine, it's all on the shelf  
We in the field  
Clean machines and we've got a dozens of shells  
Yeah, she take a pill  
We take a pill  
Now we just fucking for real  
In love with me still  
And I still care about how all my customers feel  
Numb me for real  
The weed, lean, codeine, it's all on the shelf  
We in the field  
Clean machines and we've got a dozens of shells  
Yeah, she take a pill  
We take a pill  
Now we just fucking for real  
In love with me still  
And I still care about how all my customers feel
