D-Block Europe

Lately, I just been observin' (Observin')
I'm takin' notes on everyone, I'm just observin' (Observin')
Take back and un-do all your good and that's for certain
You're likeable, but, deep down, I know you're a serpent (Whew)
Careful who you're havin' kids with in these streets
That BM your biggest mistake, she IPP (She IPP)
She a life sentence, that ho IPP (That ho IPP)
Number twenty, Minzle servin' NPCs (Servin' NPCs)

Sip a cup, the cup just in smarter ways
On 'em gainin' gym, in workin' in the mornin', had to half my days
My nigga wanna wife her, but she in her party phase
Told him, "If she can't take guidance, then depart your ways"
That's my nigga, we was lockin' down the corner
Talkin' prices of the Bobby in the sauna
My girl actin' like a brat because I spoiled her (Yeah, her)
But, the way she suck it really make me adore her
That's my nigga, that's my dargie, so, we cry tears (Tears)
I ain't seen my nigga in about five years (Years)
Monday evenin' if the love is still alive here (Huh)
'Cause that jail isolation turn a nigga's view (Yeah)

Lately, I just been observin' (Huh)
I'm takin' notes on everyone, I'm just observin' (Si, yeah)
Take back and un-do all your good and that's for certain (Mhm-mhm)
You're likeable, but, deep down, I know you're a serpent
Careful who you're havin' kids with in these streets (IPP)

Oh, really
My new crib got seven bathrooms, are you silly? (Silly)
My new lady is a lease, she not familiar
I like this car, match my outfit with interior
They said, "For sure," I said, "For really"
Stamp on the brick, and now that nigga throw it freely
That nigga ate too much, he fell off 'cause he greedy
Get the pack and break it back and do the re, re
It's fuckin' Beezy, hopped up in the 'Ghini (Ya dig?)
Heard they tryna scheme, but I really ain't him
Tryna make you wake up from the dream that you're in
I appreciate the pawns and the board and the king
I could see that you see, no
