One of my bitches made...

Yeah (Ayy, Castro, go crazy)

One of my bitches made fifty on OnlyFans, get how you live, yeah  
I beat the odds, I'm a criminal, now I'm successful and rich, yeah  
I'ma give twenty-five to my niggas that hit up a snitch, yeah  
I just nearly caught a case the other day but they had no witness  
It's been like thirteen or fourteen days and I been on the lit  
Started poppin' pills and it gave me a permanent itch, yeah  
I got bitches I don't fuck but I still buy them gifts, yeah (Yeah)  
This girl is so cringe, yeah, when she's with me she takes pics, yeah

I got niggas that I cut off but I loved them like brothers when I heard that  
they snitched, yeah  
I got niggas that didn't wanna see me do well, didn't wanna see me rich, yeah  
h  
I got niggas that know where I'm at but don't pull up, we got guns at the crib,  
yeah  
To be honest, I think how I still grew up, some parts still make me sick, yeah  
ah  
I told my Mummy the other day, "I am not angry at you", no  
I ain't seen you for a minute, I'm working, I been in the studio  
I'm pourin' codeine all up in my drink and it's makin' me move slow  
And I just pull up on niggas with murder gang, you know the usual  
Have you ever prayed a Janazah? Been to a nigga's funeral  
And my yardie ting, sip fire water then turn up and do the most  
Told my brother LB, "Don't go missing on me", if you do, I'll lose it all  
Life's about living and loving and learning, my baby, I do it all

Right now, I'm playin' Warzone, she's gettin' mad, she say I don't listen  
She said "It's me or the cats", then I went straight back to the kitchen  
My other ting really ain't got no plan, she fell in love with the bands  
She fell in love with the fam, she love that I count, and that is her business  
ss  
Way before this, I had crack in the car  
Way before this, I had crack in my arse  
She Saint Laurent when I flew her to France  
Said I was nothing, I knew they was wrong  
Gelato coming through the mail  
I think these niggas will tell  
I think we're livin' in hell  
All of my women Chanel  
And I still think the drugs gon' help me
