

## We Won

## D-Block Europe

I can't love a hoe if she don't love the bros, no way, no no way  
You been on my mind, I've been thinking 'bout you all day, all day  
New coupe, I'ma beep when I'm outside  
Place in France, the good weed what I smell like  
I ain't tryna control you, enjoy your night, let's go insane

Two magnums and I keep a steel with me (Ski)  
Car full of niggas that'll kill for me (Ski)  
BRIT nominee, hood still with me (Ski)  
Can't remember The BRITs, I had pills in me  
DBE got the game influenced  
Drink, drink, drivin' under influence  
Bro take the wheel, fuck an incident  
She heard I fucked her best friend, now I'm in the shit  
I do not wanna get into it, girl (Yeah)  
I really wanna get intimate, girl (Yeah)  
Apology, Louis bags, give you the world (Yeah)  
Show me your new dress, come give me a twirl (Yeah)  
Two magnums and I keep a steel with me  
Car full of niggas that'll kill for me  
BRIT nominee, hood still with me  
Can't remember The BRITs, I had pills in me

I can't love a hoe if she don't love the bros, no way, no no way  
You been on my mind, I've been thinking 'bout you all day, all day  
New coupe, I'ma beep when I'm outside (Skrtrt, skrtrt)  
Place in France, the good weed what I smell like  
I ain't tryna control you, enjoy your night, let's go insane

Rollie on my wrist, let's test the time (Time)  
Girl, for this love, will you testify? (Yeah)  
Dirtbike hold back, I'm born to ride  
And this love so deep, I let her mesmerise (Ski)  
Gun shots to his face is an incident (Skrtrt, skkrt)  
No, we can't help his mama go pay the rent  
I sell white girl in a white Mercedes Benz  
They can never call me "Bro", it don't make no sense (What the fuck?)  
Codeine cup, fornicating (Yeah)  
We get bored then we change location  
Exotic weed got us conversating  
Said you had a man, said you was taken (Okay)  
Chanel runners, got you debating  
I think the Xan' got me geeked, pulling stupid faces (Geeked)  
Paid in full and I'm pouring Ace  
Spaceship, take a trip to space

I can't love a hoe if she don't love the bros, no way, no no way  
You been on my mind, I've been thinking 'bout you all day, all day  
New coupe, I'ma beep when I'm outside  
Place in France, the good weed what I smell like (Ski)  
I ain't tryna control you, enjoy your night, let's go insane
