Lick you down, dick you down, there's no other (Huh)  
Colourblind so I get all colours

And you keep kissing your teeth 'cause I didn't send one back  
She said "Baby, OMG, I just saw you with the man  
You with Future, FBG, and you blowin' hella bands"

Breakfast in Brum, blue Marlin  
Big dick, I'ma put it all in  
And you told me you're a big girl, big girl  
Doggy style, she cannot stop bawling  
Keep you close, it's a sick world, sick world  
Number 29, I'm fuckin' ballin'

Thousands on my little daughter, she my little mama

Take you out for dinner, tryna rass it in the car

Losing pieces of my soul but I ain't soulless
