

No Moms

D.I.

What time do you want me home?
I can't take it I feel alone
It's my life I'm growing up fast
I don't understand it
I don't understand it

Try so hard to see who I am
The world is out there and it's mine
Why is living such a crime?
I'm not gonna sit down
Tonight we're gonna burn it down cuz

No moms!
they don't understand me
No moms!
they just slow me down
No moms!
they don't understand me
No moms!
they just bore me down

Another day what to do
Oh mommy, mommy's turning blue
After school it's my mind
I'm not gonna take that
I can't sit where I just sat

Here comes a precious other day
Why can't I do it my own way?
Sometimes I feel like it would end
I'm not gonna take it
We're not gonna take it

Cuz what we need is no moms!
They just bring us down
What we need is no moms!
They don't understand me
What we need is no moms!
They don't understand
What we need is no moms!
They don't understand me

I'm gonna fight back
I don't think I'll take that!

We're not gonna take it
We're gonna stand up

And say to them no moms!
They just bring me down
What we need is no moms!
Listen to me mom
What we need is no moms!
They don't understand
What we need is no moms!
They don't understand me

No moms! (4x)

No... moms...

No... moms...

I don't need that!
