

# Obnoxious

D.I.

[Chorus]

You're so obnoxious  
You're going to be unconscious  
You're so obnoxious  
You're going to be unconscious

Don't mess around with the punks dude  
Don't you mess around with the punks because  
You're  
So  
Obnoxious

[Chorus]

Walking down the streets of Fullerton  
I wonder what's going to get in our way today  
Don't mess around with the punks dude  
Don't you mess around with the punks because

[Chorus]
