

The Saint

D.I.

Wanna be a lover and I wanna be a Saint
I wanna get your mother and I wanna learn the pain
Take me to the show cos it's where I wanna go
Hop into the backseat, lots more room

Wanna be a lover and I wanna be a Saint
I wanna get your mother and I wanna learn the pain today
Take me to the show cos it's where I wanna go
Hop into the backseat, mom looks overdue

Because I wanna be a lover and I wanna be a Saint
I wanna get your mother and I wanna learn the pain today
Take me to the show cos it's where I wanna go
Hop into the backseat, mom, mom's baby
