

## Blind men

**D.O.A.**

They got no brains an' they got no eyes they swallowed the lies  
got hatred in their minds.

They try to look for what they don't understand.

Blind men can't see got their heads up their butts blind men do  
n't know they're like a bunch of sheep blind men got no eyes bl  
ind men all around.

They yell from their cars they hunt who they hate put the boots  
to them they outnumber then they break.

They keep on spreading more fucked up kids strength in their nu  
mbers but not in their heads
