**D.O.A.**

All the prison walls we won't let them stand I got to burn them  
down. Up against the wall - there's no way they won't make me  
go there's no way no one judges me there's no way nobody wants  
them all the prison walls - burn it down. We won't let them sta  
nd - burn it down I got to burn them down - burn it down
