

Thirteen

D.O.A.

I don't wanna hold you
I don't wanna know you
I don't wanna be with you
or even see you
but if I want to I will take you
she's only thirteen but that's just tight for me
I'm one big zero
don't you get too near-o
I'm one big zero
I don't wanna have you in da town
or even have you fucking around
I don't wanna wanna see your face
it's a bloody disgrace but if I want to
I will take you she's only thirteen,
but that's just tight for me
