

Boyfriend

D-Pryde

If I was your boyfriend I swear I'd never leave
Squeeze you when I hug you I would never let yo breathe
Cookin' in the kitchen and I'll never let you clean
Shamballas on your sleeve, with a dangerous physique
So fresh, chillin' in my room, rubbin on your bare chest
Kisses on the neck got her ocean type wet
Russy love, get'er done, in 3 2 1
Blast off

I'd like to be, anything you want, hey girl... can I talk to ya

If I was your boyfriend, never let you go
Keep you on my arm girl, you'd never be alone
I can be a gentleman, anything you want
If I was your boyfriend, I'd never let you go, I'd never let yo
u go

She want me I'll be there in just a sec
Candle lit dinner, rose pedals on the bed
Rockin the same boots, she ain't rockin' jimmy choos,
I say that I'm wearin' docs then she wearin' docs too
Breakin it breakin down
You my girl so-never-forget it
She my wifey, wedding gown

Got her smilin and cheesin, cause your boy just be the reason
Sweet like peanut butter reeses when I'm tearin up these beats
trick

Prizzy

If I was your boyfriend, never let you go
Keep you on my arm girl, you'd never be alone
I can be a gentleman, anything you want
If I was your boyfriend, I'd never let you go, I'd never let yo
u go

I could give you my all, you could have that right now
Anything that you want baby it'll go down
And we won't ever fail, I know that's so true
I could be your boyfriend, just me and you yeah

If I was your boyfriend, never let you go
Keep you on my arm girl, you'd never be alone
I can be a gentleman, anything you want
If I was your boyfriend, I'd never let you go, I'd never let yo
u go
