

Clogging Up

D-Pryde

I yell, and I moan
This shit is out,
Of my hole,
And it hurts,
This shit blows
And it's got me curling up my toes.

I'm shittin' into the crapper,
And I'm wiping my ass cheeks after,
And when a full shits too big now and I'm screwed now.
The toliets, clogging up, clogging up!
Ooh Baby.

It hurts, from my crack,
It's coming out, my ass.
I squeel, and it? smells?
This dude has just,
Caught my birth.

I'm shittin' into the crapper,
And I'm wiping my ass cheeks after,
And when a full shits too big now and I'm screwed now.
The toliets, clogging up, clogging up!
Ooh Baby.

In the bathroom,
It smells like pee and poo,
I'm starin' right down
And I need, to doo doo.

I'm shittin' into the crapper,
And I'm wiping my ass cheeks after,
And when a full shits too big now and I'm screwed now.
The toliets, clogging up, clogging up!
Ooh Baby.

I'm shittin' into the crapper,
And I'm wiping my ass cheeks after,
And when a full shits too big now and I'm screwed now.
The toliets, clogging up, clogging up!
Ooh Baby.
The toliets, clogging up, clogging up!
Ooh Baby.
