

## Goin Crazy

D-Pryde

Ever since the day you went away  
And left me lonely and cold  
My life just hasn't been the same  
Oh baby no  
When I looked into your eyes  
The moment that I let you go I just broke down (down)

Baby if I ever get the chance to be with you again I would sacrifice  
'Cause the feelin that I feel within no other man  
Would ever make me feel so right

It's nice to smile when I get your phone call at night  
But I'd rather have you here with me  
Right next to me  
And I miss the way you hold me tight

I've got to let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I've gotta let you know I think that we are destiny  
For you I'd cross the world for you  
I'd do anything

That's right baby  
I'm goin' crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me  
I'm in love with you (baby)

That's right baby  
I'm goin' crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me  
I'm in love with you (baby)

Break it down now I'll tell you what I feel  
From the moment that I met you it's been so damn real  
My heart seems to skip another beat every time we speak  
Can't believe I feel so weak  
Tell me that you really need me  
And you want me  
And you miss me  
And you love me  
I'm your lady  
I'll be around waiting for you  
Put it down be the woman for you

I'm falling so deep for you  
Crazy over you I'm calling  
Callin' out to you  
What am I gonna do?  
It's true no frontin'  
It's you ain't no other  
I can no longer go on without you

I just break down (down)

I've got to let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I've gotta let you know I think that we are destiny  
For you I'd cross the world for you  
I'd do anything

That's right baby  
I'm goin' crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me  
I'm in love with you (baby)

That's right baby  
I'm goin' crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me  
I'm in love with you (baby)
