

# Never Enough

D-Pryde

Everyday is like a brand new episode  
Turning life up a few more decibels  
Forget about the negative and everything that's stressin bro  
And every ex that screwed you over baby let em go  
Better check your girlfriend your better understandin  
We might got empty pockets but we leave them empty handed  
And you don't need money to be happy in this live great life  
Everyday is just a friday night  
They try to bring us down, we let them know that we up  
Quick to pour some hot ass coffee into your mean mug  
I'm just lookin great I got life into a clearer view  
Quit tryna frown like you hard we ain't scared of you  
Errthang good, errthang is hennessy  
Every second we living destiny so set it free  
Killin every song murder is my job objectively  
Just breathe fresh air and treat oxygen like it's ecstacy  
You get it

Were climbin to the top even if we reached half way  
And we act like today will be our last day  
And when the sun goes down and the moon goes up  
Were gonn work it like it's never enough  
It's never enough  
It's never enough  
Baby we gonn boogey like it's never enough  
It's never enough  
It's never enough  
Baby we gonn boogey like it's never enough

Cool kids say were lame I just say were more mature then you  
They ask us "Do you know who I am?" But we ain't heard of you  
I'm a give ya high school kids a little clarity  
Quit tryna fit in forget about popularity  
Is that really important  
Just seek more help  
You don't need to follow standards homie be yourself  
Cause were just all players and make sure you call me your heiness  
Let's all just have a party but haters aren't invited  
We just have fun live your life and be free  
Payin a dollar for arizona green tea  
Chillin over in the sand all you haters knee deep  
Everything I do is magic Ronald Weasly  
Feelin emancipated but I ain't me me  
You be in the 2 dimmension we livin in 3D  
So if you ever feelin like the life you be settin is tough  
You gotta live like it's just never enough

Were climbin to the top even if we reached half way  
And we act like today will be our last day  
And when the sun goes down and the moon goes up  
Were gonn work it like it's never enough  
It's never enough  
It's never enough  
Baby we gonn boogey like it's never enough  
It's never enough  
It's never enough  
Baby we gonn boogey like it's never enough

Work all day  
Play all night  
Boogey down baby we livin the good life  
Ain't no time for the buggin  
We livin it up  
Then we gonn boogey like it's never enough

Work all day  
Play all night  
Boogey down baby we livin the good life  
Ain't no time for the buggin  
We livin it up  
Then we gonna boogey like it's never enough

Were climbin to the top even if we reached half way  
And we act like today will be our last day  
And when the sun goes down and the moon goes up  
Were gonn work it like it's never enough  
It's never enough  
It's never enough  
Baby we gonn boogey like it's never enough  
It's never enough  
It's never enough  
Baby we gonn boogey like it's never enough
