

# Pryde Day

D-Pryde

I wake up super early in the AM, So exhausted  
Yawnin' only one hour of sleep now it's the morning  
Big ambition to make it  
Cause we're striving to slaughter  
Missin' mama cause she's on the other side of the border  
Plus I'm an internet celebrity  
In spite that, I'm a good guy  
Waking up to a beautiful woman texting me  
Hop up in the shower, brush my bangs to the right  
I'm getting ready for another normal day of my life  
Got some business at the villa, Much with Baby J  
And now turning to the station, hearing suss spinning on the radio  
Yelling, making noises, neighbors think that I'm annoying  
I'm a man inside this body of a boy so baby

Welcome to the life, I be cared up in the burbs  
A kid that's so annoying he be gettin' on your nerves  
But he just wouldn't have it any any other way  
Everyday, is Prydeday  
Everyday is Prydeday (Friday to Thursday)  
Everyday is Prydeday (Friday to Thursday)  
Everyday is Prydeday (Friday to Thursday)  
Everyday is Prydeday (Prydeday, everyday!)

Getting fame everywhere cause I be holy crap known  
In another country, still missin' my homies back home  
But they know I'm coming soon, their just happy I console em'  
I just tell em' don't worry, I'll be back before you know it  
Never sleeping it out, I'm in the studio all day and night  
Working while it's dark outside until we see that ray of light  
Sleeping ain't an option to this job that I'm pursing  
I'd a give away the cash or any object for this music  
Cause I know this is my passion food for better or worse.  
Drink Arizona green tea so I can quench up my thirst  
Man I'd a work for this position, you ain't messing me up inside  
Everyday is my day so you ain't telling me otherwise

Drinking Arizona snap texting from his hand  
Never having any sleep he's in the studio instead  
But he just wouldn't have it any any other way  
Everyday, is Prydeday  
Everyday is Prydeday (Friday to Thursday)  
Everyday is Prydeday (Friday to Thursday)  
Everyday is Prydeday (Friday to Thursday)  
Everyday is Prydeday (Prydeday, everyday!)

It's amazing got this heavy ass drama  
Hop up on a plane and say goodbye to your own mama  
Cause mommy I'll be gone for a long time  
Everyday I'm living great so I'm all fine  
Making music with the team  
Cause I be living a dream  
I wouldn't trade it all for anything  
I wouldn't trade it all for anything  
I wouldn't trade it all for anything

When I have a struggle I don't care cause I succeed

And even when I'm pissed I'm still happy that I still breathe  
Cause man I wouldn't have it any other wayyy  
Everyday, is Prydeday  
Welcome to the life, I be cared up in the burbs  
A kid that's so annoying he be gettin' on your nerves  
But he just wouldn't have it any any other way,  
Everyday, is Prydeday  
Drinking Arizona snap texting from his hand  
Never having any sleep he's in the studio instead  
But he just wouldn't have it any any other way,  
Everyday, is Prydeday
