

# Ready To Go

D-Pryde

Gimmie the mic, I'll give you a show  
Gimmie the crowd, I'm ready to go  
Gimmie the lights, I'll put on my flow  
I'm about to do it and you already know  
I'm ready to go, I'm ready to go  
I'm about to do it and you already know  
I'm ready to go, I'm ready to go, I'm ready to go, I'm ready to  
go, oh-oh-oh

I'm bout' to go, I'm bout to do it nice  
Every day is like some scene up in my movie life  
Don't mind the haters there just tryna start some foolish fight  
s  
Put on a show, that's what I'm a bout to do tonight  
This beat is torn heavy, you haters more petty  
Ask me if I'm good I'm like homie I was born ready  
The main dude I'm the head up in the office  
Cause I'm about to pop it cause failures not an option, Prydeee  
!

Gimmie the mic, I'll give you a show  
Gimmie the crowd, I'm ready to go  
Gimmie the lights, I'll put on my flow  
I'm about to do it and you already know  
I'm ready to go, I'm ready to go  
I'm about to do it and you already know  
I'm ready to go, I'm ready to go, I'm ready to go, I'm ready to  
go, oh-oh-oh

Put on the instrumental, let's do it squirrel food?  
A Steve Urkal dude, deceives be terminal  
A witch type, this might put a curse on you  
This turtle dude swerving smooth like a squirt of loo  
I'm bout to jump at it and go  
Attractive with action and ravishing flow  
Got all the lyrics and added some flow  
Make ya hold back and your family knows?  
All of the haters will try it no doubt  
I'll make you all know that I'm in the house  
I'm bout to go live my life to the fullest  
So I'll let you know that I'm Pryde and I'm out!
