

## Right Above It

D-Pryde

Hey, ohoh ohhh ohh  
Ohoh ohhhohh woeh  
Right Above It  
Excuse the singing, I just feel good  
Yeah!

Who else try'na mess with Asian man, D, my game is nasty  
Have a toast to my success, go and raise a glass please  
Haters hate, but look this Asian's going Dragon Ball Z  
So don't make me go all crazy, Super Saiyan, now see  
I'm the hottest of my age bracket, pyro I'm a flame at it  
Large on glasses, frames. You can spot me with these Ray-bans'  
And I'm just known to take fans from rappers who don't take action  
Hating, cause I be a Boss Don, no Ray Allen  
I'm a don and I'm great, it probably pisses you off, because I'm all in your face  
Saying I'm a swagger jacker and my quality's fake  
They see my rapping off my berry, now they're calling me Drake  
It ain't a thing though, hang 'em up, prank calls  
Swagger's on lean, like I got that little Wayne Flow  
Stamina's crawling up, I'm Canada's starter bud  
No I ain't Drizzy, I'm his follow up  
I'm gone

Yeah! and all the people love it  
You know the beef comes, we're just walking right above it  
We on  
It's NHB lil sucka'  
If you ain't running with it, stop racing little sucka'  
See I ain't really making money in this game  
Rap skills sweet like some honey in this game  
Ya dig?  
I got my fans up on YouTube, and if you hate me, well whaa whaa  
, boohoo
